Never Give Up...

Today the message is on "The Bible and Parenting." This is a subject very close to my heart for two reasons. First, God has allowed me to be a father even though I lack the guidance of a father in my childhood. Secondly, because God has called me to minister to couples who are struggling to keep their families together.

In Mark chapter 5, we find a fascinating story of a father named Jairus who comes to Jesus pleading for him to go with him. His daughter is dying and he has faith Jesus can save her. Jesus agrees but the crowd along the way is very large and slows them down. Jesus even stops to heal a lady who reaches out to touch his garment.

No doubt the father was happy for the lady but anxious to have Jesus get to his dying daughter. Some men come and tell Jairus his daughter is already dead so there is no need to bother Jesus further. The response Jesus gives is an inspiration to all of us.

³⁶ Ignoring what they said, Jesus told the synagogue ruler (Jairus), "Don't be afraid; just believe." Mark 5:36

The Greek word translated "ignoring" literally means "refuse to listen" or "refuse to give up." These are wonderful words of encouragement to every Christian parent. Do not listen to what the world says. Stay focused. Don't be afraid. Keep believing. The world does not have to dictate the outcome of our families. Ignore the nay Sayers and keep believing in the Lord of the past and the Lord of the future for your child's outcome.

It is our job to keep the faith and live the faith before our children. We plant the seed of faith with our words and our example. We finish the job by trusting God to lead their hearts.

Children don't always listen to their parents but they almost always imitate them. Be a Christian example to your children and never give up on them.
