Merry Christmas

Dear Church Family;

I believe with all my heart God would have our church meet our annual budget in giving. After looking over the figures, we currently fall short \$33,706 for 2011. With only two Sunday's remaining in the year, meeting our budget seems unlikely.

While it appears "unlikely" to us, nothing is impossible with God. I still believe God will provide the funds to meet our budget before year end. I have asked myself over and over what we can do to meet the budget, but it is clear the solution will come from God.

So what is my responsibility? First, I must have faith that God will provide through His people. Secondly, I must prayerfully consider what sacrifice God would have me make in order to give over and above my tithe to help the church meet its budget.

I am writing to ask each of you to do the same. Please believe and have faith that we can meet our budget. Also, I am asking you to sincerely pray asking God what He would have you give to His church at this important time.

We have two Sunday's remaining to give to the best of our ability and watch God provide through the generosity and concern of His people.

Thank you for your prayerful consideration.

From my family to yours, we wish you a Merry Christmas.

In Christ,

Bro. Bob Tucker
